

Job Offer

IT Support Technician

Date: March 27, 2026

Job role	IT Support Technician
Department	IT
Working place	Meyreuil - France
Starting Date	ASAP

Missions

Looking to grow in a dynamic, fast-growing technological environment with impactful international projects?

Reporting to the IT Director, you will provide direct support to end users and play a key role in daily operations. You will ensure the performance, security, and availability of IT tools across the organization. You will play a central role in supporting employees, managing IT assets, and ensuring the successful execution of ongoing projects in an international context, particularly with the development of a new production site in Spain.

Working in an environment with diverse user profiles and technical equipment, you demonstrate adaptability and responsiveness to effectively meet business needs.

Main responsibilities

- Provide user support (on-site and remote),
- Manage and track tickets (via GLPI) with a strong focus on responsiveness and internal customer satisfaction,
- Configure and deploy workstations,
- Administer user accounts and access rights,
- Manage endpoint security,
- Oversee IT asset management (inventory, tracking, renewal),
- Handle IT supplier orders and equipment tracking,
- Support the administration of security-related systems (access control, PKI),
- Write and maintain technical documentation and procedures,
- Contribute to IT projects and the deployment of new solutions.

Job Offer

IT Support Technician

Requirements

Educational background	Degree in IT maintenance and support
Experience	Around 2 years of experience in end-user IT support.
Skills	Good knowledge of Windows environments (Active Directory and Windows 11). Knowledge of endpoint security and related tools (FortiClient, ManageEngine). Familiarity with Microsoft Office tools. Ability to handle a high volume of tickets.
Others	Strong interpersonal and communication skills with a service-oriented mindset. Detail-oriented with strong problem-solving skills. Team player with a proactive attitude. Fluent in English and Spanish is require.

Why Join Us?

- Join a fast-growing, NASDAQ-listed technology company with strong international exposure.
- Contribute to the development and industrialization of next-generation post-quantum secure semiconductors.
- Work in a high-tech manufacturing environment with cutting-edge semiconductor technologies.
- Be part of a collaborative and innovation-driven culture.
- Enjoy flexible working conditions with two days of remote work per week, in a pleasant environment near Aix-en-Provence.
